Doo, doo, doo, doo, doo, doo, doo, doo ...

Understand the things I _____

Don't turn away from me

'Cause I _____ half my life out there

You wouldn't disagree

_____ you _____ me? _____ you _____?

_____ you _____ me? _____ you _____ me standing there?

_____ you _____? _____ you _____?

_____ you _____ me? _____ you _____ me?

_____ anyone _____?

Unhappiness where's when I _____ young

And we _____ a damn

'Cause we _____ raised

To see life as fun and take it if we can

My mother, my mother she _____ me

She _____ me, when I _____ out there

My father, my father, he _____ me

Oh, he _____ me, _____ anyone _____?

Understand what I _____

It _____ my design

And people everywhere _____

Something better than I _____

But I _____ you, I _____

'Cause I _____ it, 'cause I _____ it

When I _____ out there

_____ you _____ this? _____ you _____?

You _____ me, you _____

_____ anyone _____?

Unhappiness where's when I _____ young

And we _____ a damn

'Cause we _____ raised

To see life as fun and take it if we can

My mother, my mother she _____ me

She _____ me, when I _____ out there

My father, my father, he _____ me, oh, he _____ me.

_____ anyone _____? (repeat 8 times)
